DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on July 19, 2006 has been entered. Claim 1 has been amended. Claims 3, 5, 6, 8, 10 and 13-15 have been canceled. Claims 1, 2, 4, 7, 9, 11, 12 and 16 are pending.

Allowable Subject Matter

- 2. Claims 1, 2, 4, 7, 9, 11, 12 and 16 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: The amendment to claim 1 has overcome the rejection of record. The prior art of record does not disclose or reasonably suggest the waveguide apparatus comprising a light emitting unit that emits at least two light beams in different direction to said waveguide, at least two light diffusing structures each of which diffuses one of the light beams emitted, wherein said light emitting unit emits the at least two light beams in different directions within said waveguide so that each light beam is directed toward and received by a different light diffusing structure of said at least two light diffusing structures in combination with the other limitations as recited in claim 1. There is no suggestion in the prior art of record to modify Hirota et al. to arrive at the claimed invention. Claims 2, 4, 7, 9, 11, 12 and 16 are allowable by virtue of their dependence upon claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sarah Song whose telephone number is 571-272-2359. The examiner can normally be reached on M-Th 7:30am - 6:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rodney Bovernick can be reached on 571-272-2344. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
